NOTE recognizability:0.885

NOTE language:en-us

NOTE Confidence: 0.90327346

00:00:00.000 --> 00:00:02.940 The thing that is so incredibly

NOTE Confidence: 0.90327346

00:00:02.940 --> 00:00:05.600 special about this place is just

NOTE Confidence: 0.90327346

00:00:05.600 --> 00:00:07.652 the marriage between this history of

NOTE Confidence: 0.90327346

00:00:07.652 --> 00:00:09.384 academic success really mixed with

NOTE Confidence: 0.90327346

00:00:09.384 --> 00:00:11.208 this feeling of community and family

NOTE Confidence: 0.90327346

00:00:11.210 --> 00:00:13.130 and being connected to New Haven

NOTE Confidence: 0.90327346

00:00:13.130 --> 00:00:15.169 and being connected to one another.

NOTE Confidence: 0.9148573

00:00:18.600 --> 00:00:21.160 Many of us are both taking care of

NOTE Confidence: 0.9148573

00:00:21.160 --> 00:00:23.816 patients as well as studying what causes

NOTE Confidence: 0.9148573

00:00:23.820 --> 00:00:25.868 disease, and that relationship

NOTE Confidence: 0.9148573

00:00:25.868 --> 00:00:27.916 really makes us unique.

NOTE Confidence: 0.9148573

00:00:27.920 --> 00:00:29.790 At the end of the day, medicine

NOTE Confidence: 0.9011849

00:00:29.790 --> 00:00:31.890 is a team sport, so to be able to learn

NOTE Confidence: 0.9011849

00:00:31.948 --> 00:00:34.174 how to interact in a team environment
NOTE Confidence: 0.9011849

00:00:34.174 --> 00:00:35.400 only propels medicine forward.
NOTE Confidence: 0.88509583

00:00:37.460 --> 00:00:39.680 Medicine has progressed so much,
NOTE Confidence: 0.88509583

00:00:39.680 --> 00:00:42.774 and we have to be continual learners.
NOTE Confidence: 0.88509583

00:00:42.780 --> 00:00:45.090 Yale creates physicians and scientists
NOTE Confidence: 0.88509583

00:00:45.090 --> 00:00:47.881 who are able to address those
NOTE Confidence: 0.88509583

00:00:47.881 --> 00:00:50.305 new diseases as they come along,
NOTE Confidence: 0.88509583

00:00:50.310 --> 00:00:52.968 and that means having curiosity learning
NOTE Confidence: 0.88509583

00:00:52.970 --> 00:00:54.290 from our patients.
NOTE Confidence: 0.84069884

00:00:56.610 --> 00:00:57.735 Medicine, healthcare touches
NOTE Confidence: 0.84069884

00:00:57.735 --> 00:00:59.610 each and everyone of us.
NOTE Confidence: 0.84069884

00:00:59.610 --> 00:01:01.776 But medicine can't be done the
NOTE Confidence: 0.84069884

00:01:01.776 --> 00:01:04.110 same way again and again. You
NOTE Confidence: 0.84069884

00:01:04.110 --> 00:01:07.116 always have to improve and we are more than
NOTE Confidence: 0.84069884

00:01:07.116 --> 00:01:10.109 able because of our history of resilience,
NOTE Confidence: 0.84069884

00:01:10.110 --> 00:01:12.360 because of our history of innovation,

NOTE Confidence: 0.84069884

00:01:12.360 --> 00:01:14.610 because of our history of critically

NOTE Confidence: 0.84069884

00:01:14.610 --> 00:01:18.400 thinking and asking relevant question.

NOTE Confidence: 0.89152086

00:01:18.400 --> 00:01:20.624 Places like Yale try to nurture those people

NOTE Confidence: 0.89152086

00:01:20.624 --> 00:01:22.580 and provide them a space to really say,

NOTE Confidence: 0.89152086

00:01:22.580 --> 00:01:23.924 tell us what our tomorrow will

NOTE Confidence: 0.89152086

00:01:23.924 --> 00:01:25.709 be so it's a better tomorrow.

NOTE Confidence: 0.89152086

00:01:25.710 --> 00:01:27.798 You don't have to wait till after medical

NOTE Confidence: 0.89152086

00:01:27.800 --> 00:01:28.844 school to start becoming

NOTE Confidence: 0.89152086

00:01:28.844 --> 00:01:30.410 the doctor you want to be.

NOTE Confidence: 0.89152086

00:01:30.410 --> 00:01:32.232 You don't really hear no, you hear?

NOTE Confidence: 0.89152086

00:01:32.232 --> 00:01:33.798 How can we make this happen?
